3. WHY WE MANAGE HEALTH & SAFETY

ISEI®

Moral reasons are based on the concept of an employer owing a duty of reasonable care to his employees.

Financial Reasons - Accidents and ill health result in various direct and indirect costs.

Legal Reasons may result in a fine for organizations and imprisonment or fine or both to individuals.

ISEI®

4. LEADERSHIP & COMMITMENT

Effective health and safety performance comes from the top; members of the board have both collective and individual responsibility for health and safety. Directors and boards need to examine their own behaviours.

It is important for employees to bring safety concerns to management's attention. – We expect vendors to follow our ENVIRONMENT HEATH & SAFETY procedures.

ISEI®

5. AWARENESS TRAINING.

ISEI®

It also helps the employees to recognize safety hazards and correct them. It enables them to understand best safety practices and expectations.

ISEI®

6. WHY WE SHOULD PROTECT OUR ENVIROMENT.

Nature has provided us numerous gifts such as air, water, land, sunlight, minerals, plants, and animals.

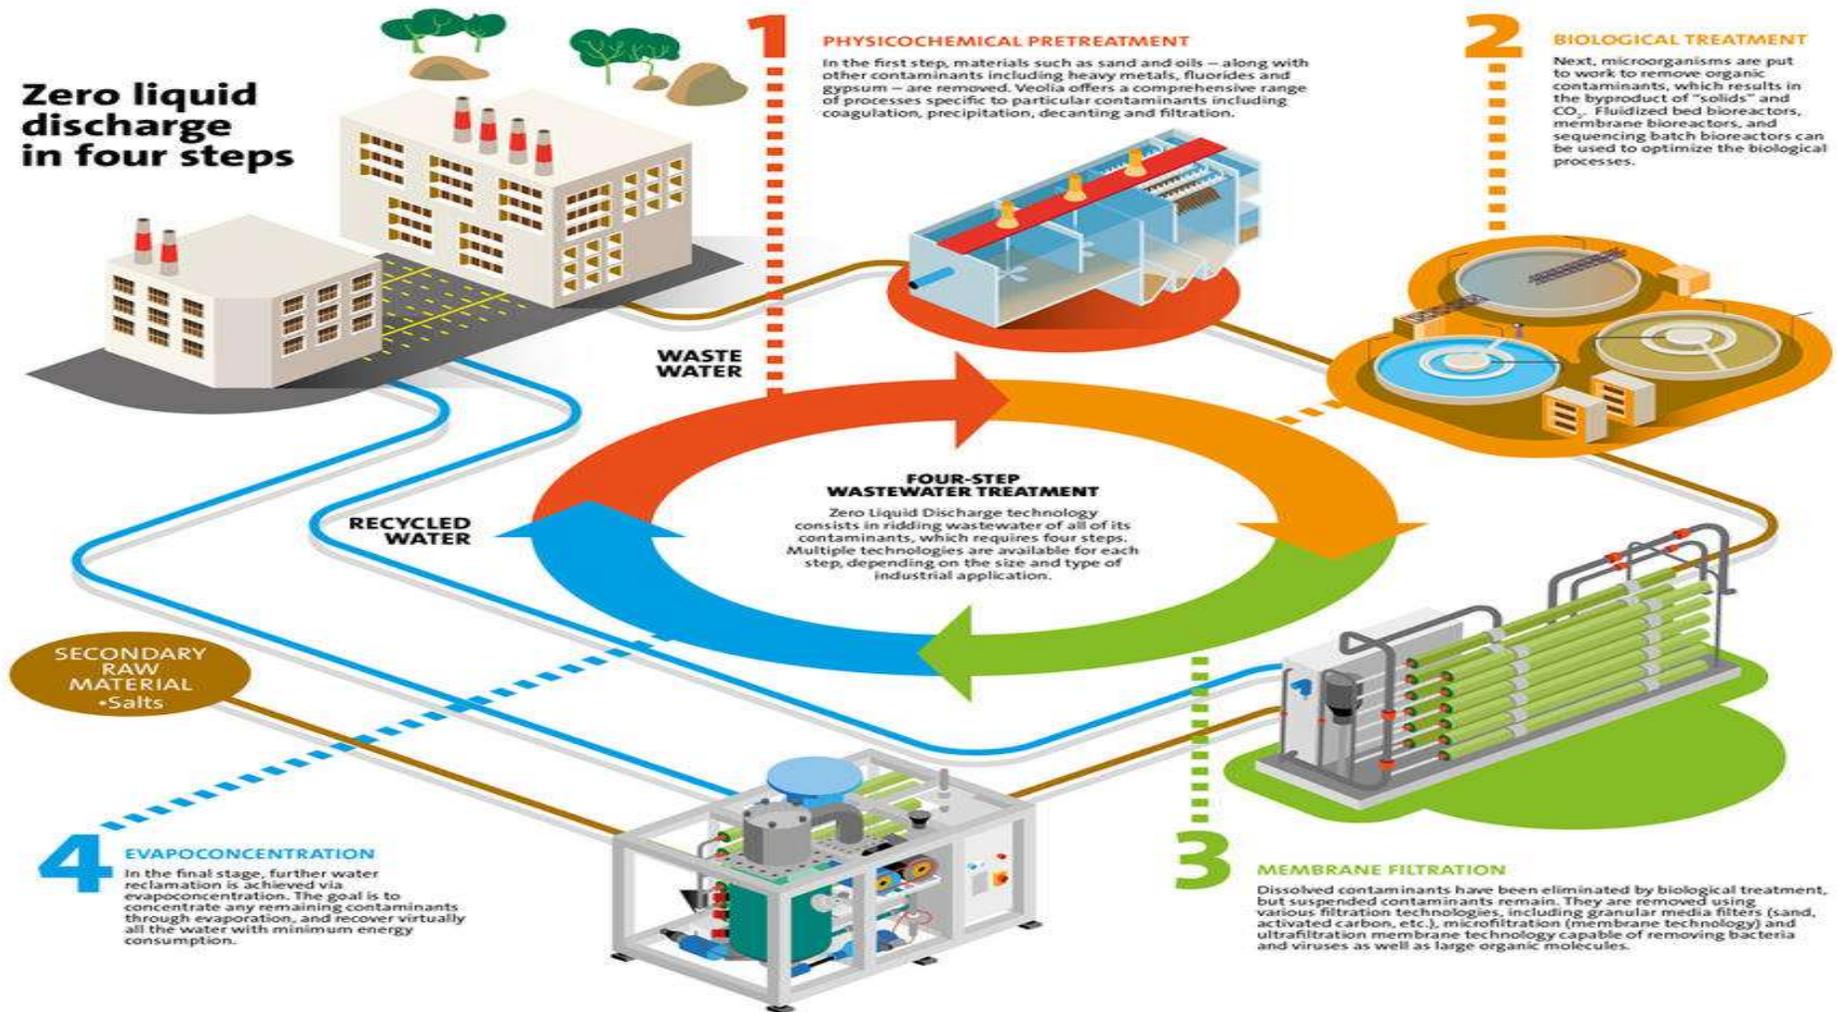

All these gifts of nature make our earth a place worth living.
